

CZ424:

The Abandoned Shaft

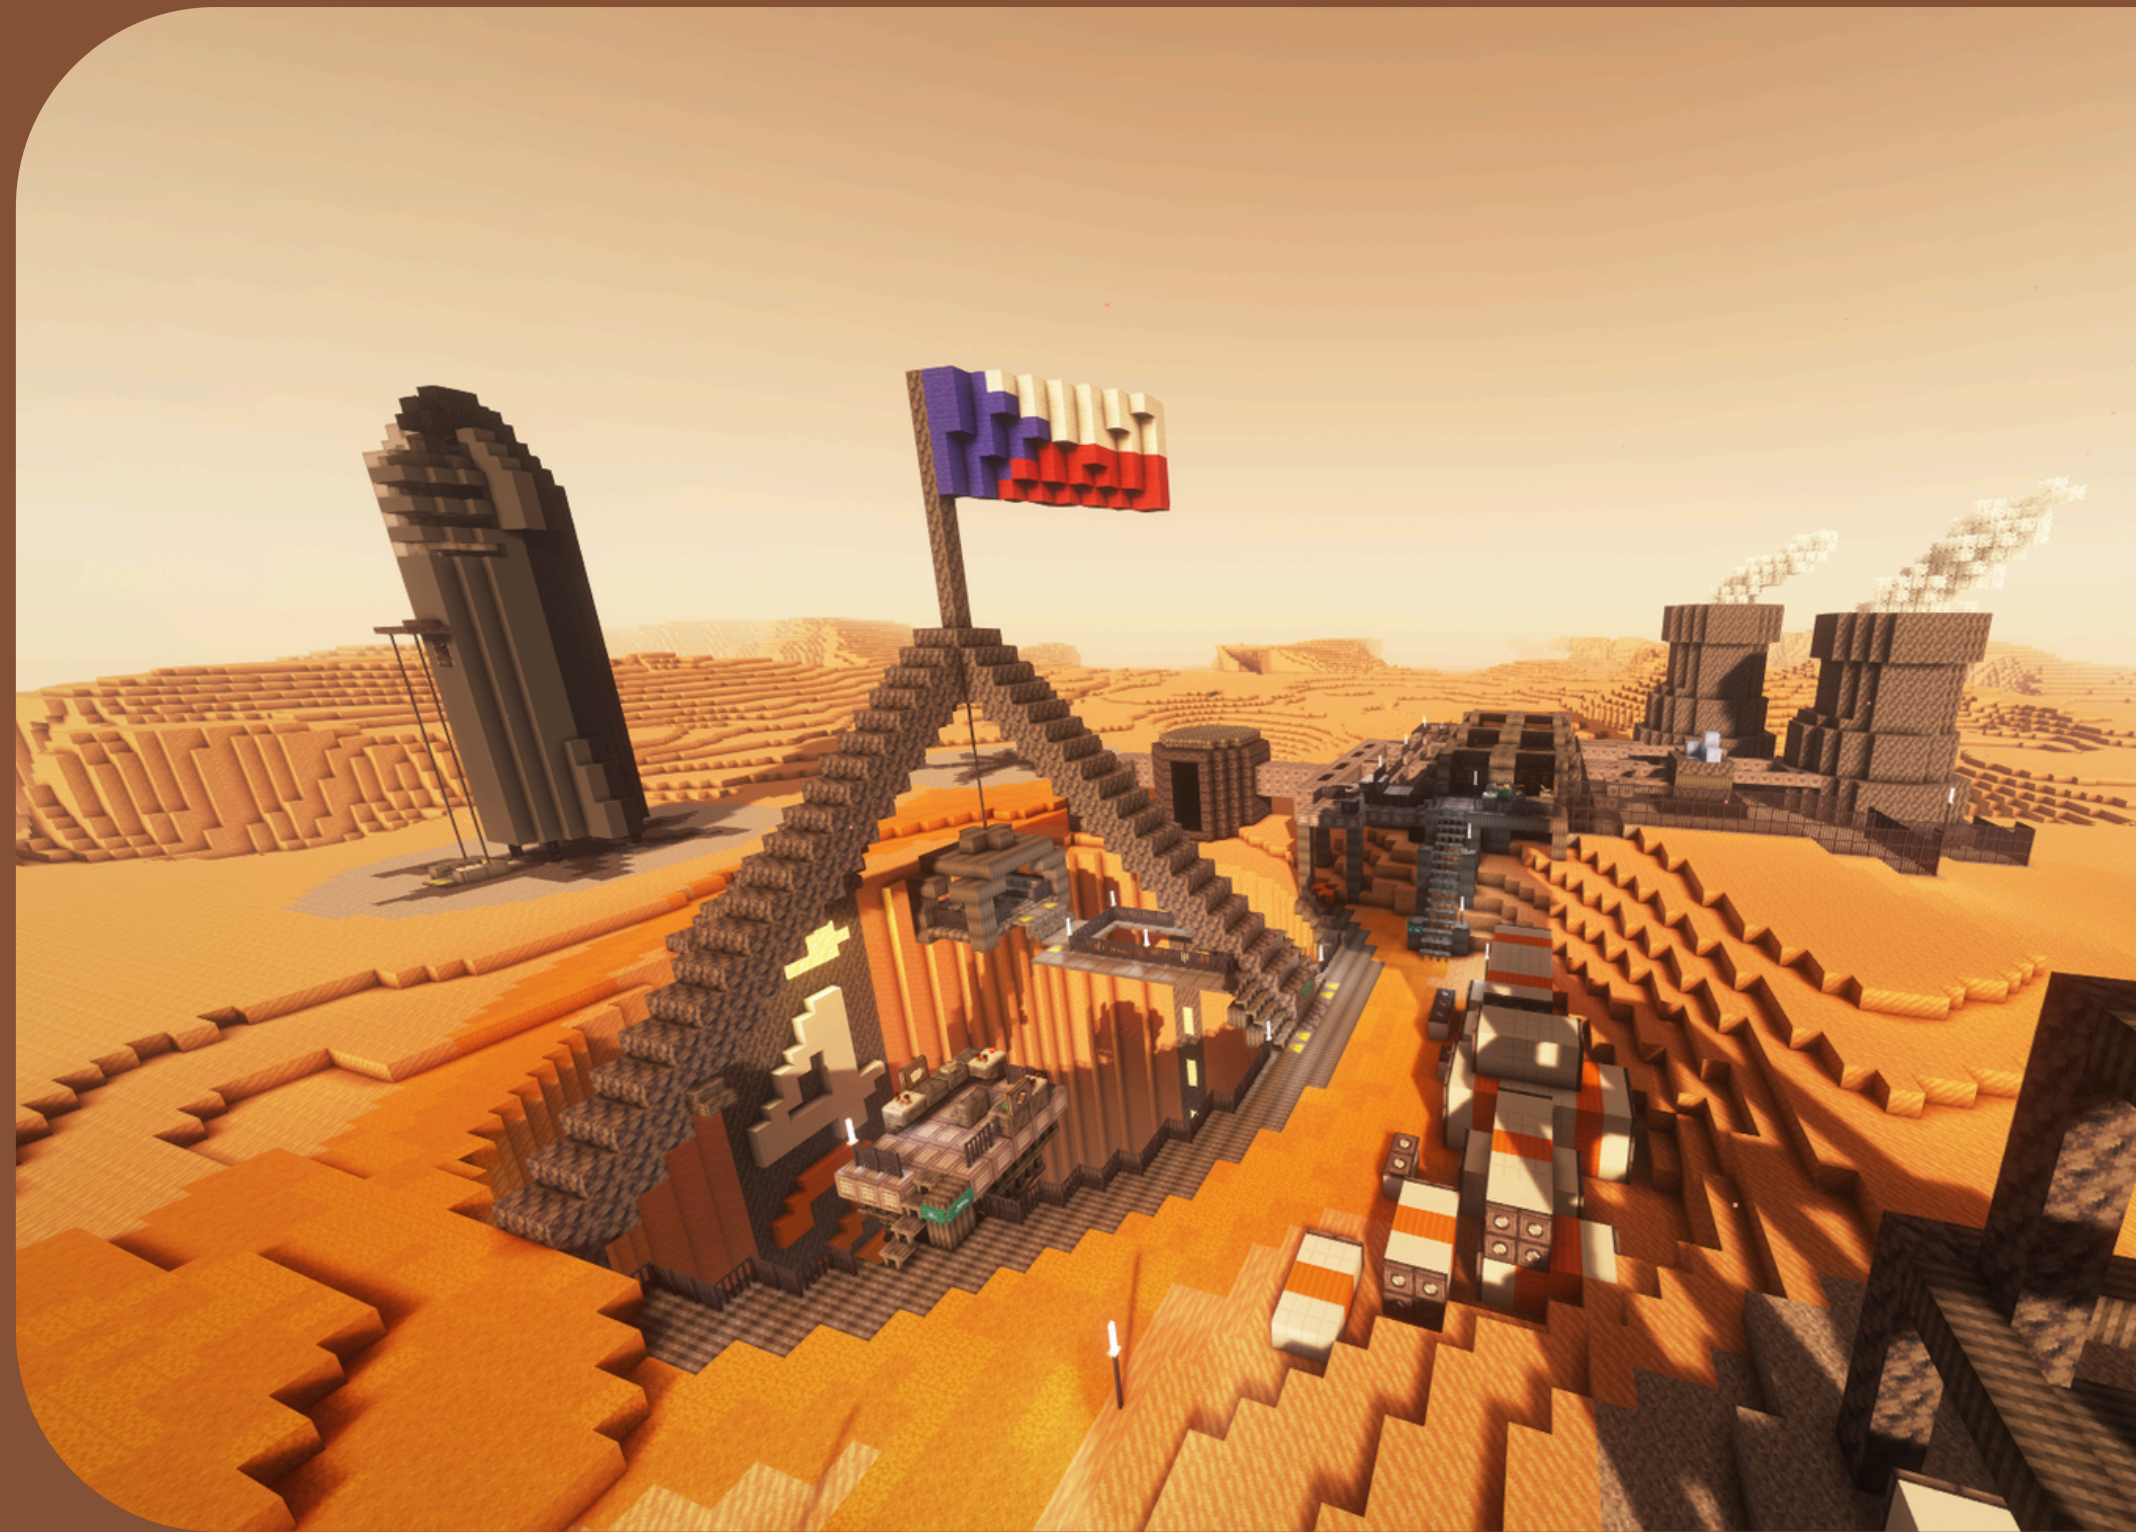

Hra

- point and click hra
- 66 scén
- scifi
- React + JS

Prostředí

- Minecraft
- Fabric
- Ad Astra
- Axiom, World Edit
- Rethinking Voxels

Fungování

- React
- Automatizace
- Scény
- Typy tlačítek

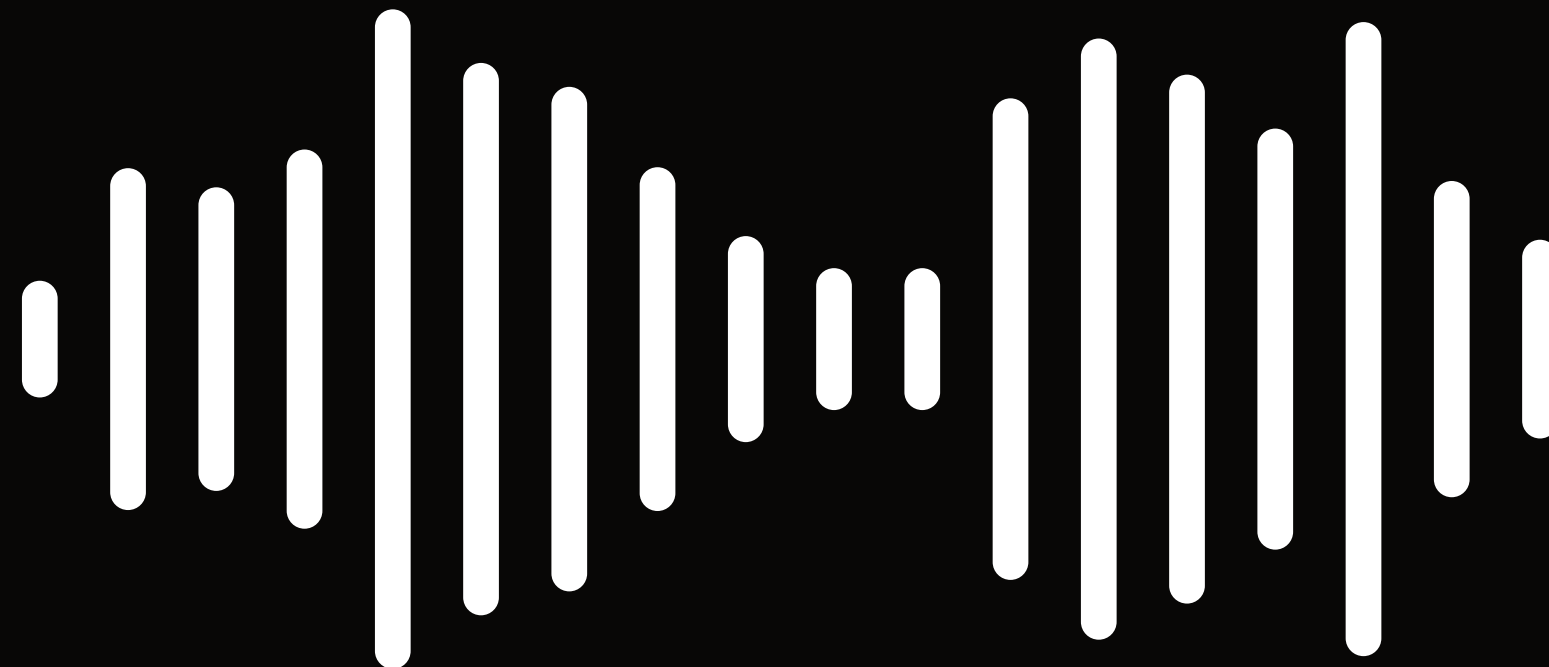

```
habroom: {  
  id: "habroom",  
  background: "scenes/hab/habroom.png",  
  buttons: [  
    -
```

```
const [currentScene, setCurrentScene] = useState(()  
  localStorage.getItem('currentScene') || 'tittle0'  
);  
const [inventory, setInventory] = useState(() => {  
  try {  
    return JSON.parse(localStorage.getItem('invento  
  }) catch {  
    return [];  
  }  
});  
const [message, setMessage] = useState("");  
const [toast, setToast] = useState("");  
const [fading, setFading] = useState(false);
```

```
{  
  id: "habroom-VIEW",  
  x: 80, y: 25,  
  width: 20, height: 50,  
  type: "exit",  
  to: "habroomVIEW"  
},  
{  
  id: "habroom-spacesuit",  
  x: 40, y: 0,  
  width: 20, height: 43,  
  type: "item",  
  itemName: "Spacesuit"  
},
```

Problémy

- Zvuk
- Obrovský soubor
- Překlepy
- Pomalé načítání

A Minecraft desert landscape at sunset. A large, dark staircase made of stone blocks leads up a hill. In the background, a small building with lit windows sits on a plateau. The sky is a warm orange color with a few small white particles. The text "Děkuji za pozornost" is written in large, white, bold letters with a black outline, centered in the upper half of the image.

Děkuji za pozornost
